

Health, Safety & Environment (HSE) Policy Statement

SAFE 02-01-02

June 2017

SOCAR Turkey is committed to a culture of adopting HSE industry best practices

which is foundational in achieving
safety, environmental and
occupational health excellence.

Zaur Gahramanov
CEO
SOCAR Türkiye

OCCUPATIONAL HEALTH The well-being of our
people and communities is vital to our success.

SAFETY We value safety as a license to operate.
Do it safely or don't do it!

ENVIRONMENT We are trusted stewards of our
natural resources. We lead the way to deliver a
healthy environment for today and tomorrow.

KEY BELIEFS

SOCAR TURKEY BELIEVES:

All accidents can be prevented

**To work here you must be committed
to working safely**

**Environmentally responsible operations
are essential to our success**

**Every single employee and contractor
is accountable for HSE performance
regardless of status and rank**

We deliver on our commitments

**Compliance with our HSE management
system and our commitment to this policy
enable HSE excellence.**
